

BASEBALL TEAM GOLF SCRAMBLE TOURNAMENT and other support opportunities

Pasco Hernando State College looks to continue making school history in 2021–2022. After finishing in third place at the NJCAA Division II World Series in 2019, the Bobcats are looking to make that final jump to win the program’s first National Championship. To do this, we need your support.

Help us continue to build young men into future community leaders and the business owners of tomorrow. Our mission as a baseball team is to run a *Program 3–2–1*. That means our goal is to have a 3.0 team GPA (3), win a couple of championships (2), and do this while being a first class program (1).
